

**Utah Department of Transportation**

**Contact Listing  
For  
2008 Standard Specifications  
FOR ROAD AND BRIDGE  
CONSTRUCTION**

January 1, 2008

# Introduction

This document provides a contact area for each Standard Specification. A phone number listing follows the specification listing.

Also listed is the related Standard Drawing Series for any Standard Specification that references a Standard Drawing Series.

Contact the appropriate area or person if you have a technical question about a particular specification.

For Web related questions contact Barry Axelrod at (801) 964-4570 or by e-mail at [baxelrod@utah.gov](mailto:baxelrod@utah.gov).
